

# HempSHAPES™ – WOVEN

**PANEL SIZE**

500\*500mm (19-2/3" x 19-2/3")

**PANEL THICKNESS**

29 mm (1-1/16")

**BOX QUANTITY**

4 panels (10.78 sq.ft.)

## Product Overview

**HempSHAPES™ WOVEN** are perforated acoustic panels made from color-infused 'hemp' that display a tufted, yet consistent, geometric surface pattern, designed to maximize sound absorption and refraction.

## Specifications

**Description:** Color-infused molded hemp panels designed with perforations to trap sound waves.

**Panel Size:** 500\*500\*29mm (19-2/3" x 19-2/3" x 1-1/6")

**Color (select one):** Azure, Black, Blue, Brown, Dark Grey, Forest, Green, Grey, Lime, Merlot, Natural, Orange, Raspberry, Red, Sage, Thatch, White, Yellow

**Composition:** 100% post-industrial recycled hemp

**Installation:** Panels adhered with adhesive.

## Sustainable Attributes

- Made from 100% post-industrial recycled Hemp material (harvested on 70-90 day harvesting cycle)
- Hemp is the most efficient plant at sequestering carbon (ie: pulling it from the atmosphere)
- Hemp is a carbon neutral material
- Hemp is completely biodegradable, and provides nutrients to the soil enhancing soil morphology
- Hemp is a 'closed loop' material (meaning all parts are used for different functions/products leaving no waste)
- Low-VOC and CDPH compliant
- Sustainable supply chain and anti-modern slavery

## Environmental Certification

- VOC compliance – (15804+A2: 2019+AC QAI.MC.69/17)
- NAUF (No Added Urea Formaldehyde)
- Red-list free
- ISO 14001 Certified Environmental Management

Installation adhesive certifications (with recommended Wakol Loba MS262)

- Floor Score Certification
- EC1 Certification
- Bay Area Air District compliance (BBAQMD-Regulation 8, Rule 51)
- South Coast Air Quality Management District compliance (SCAQMD-Rule1168)

## Green Building Certification

Sustainable Materials' products meet criteria for WELL, LEED, Green Star, and BREEAM building rating systems, helping you achieve certification for your project. For support and guidance on available rating system points please visit [www.SustainableMaterials.com](http://www.SustainableMaterials.com), or speak with your Sustainable Materials account manager
